Modification Review Notice

Si usted necesita asistencia con la traducción de este documento, por favor llame a la oficina y pregunte por un representante que hable español.

The Division of Child Support Services (DCSS) is reviewing your child support case for the possibility of a modification to your court order.

If you are requesting a modification, a modification review will not begin until these completed, notarized documents are received by the DCSS. You must complete all of the following documents: the **Affidavit of Financial Information**, the **Agreement to Accept Service by Mail**, and the **Request for Modification Checklist**. You must sign the **Agreement to Accept Service by Mail** in front of a notary. Notary services are provided free of charge at your local DCSS office. If you DID NOT request a modification, the DCSS is currently reviewing your case for a modification. You are encouraged to return these documents as soon as possible to allow the DCSS to conduct the review using your current financial information. The modification review will continue ten (10) days from the date of this notice.

Medical support is a required provision for all child support orders. You must supply all policy numbers, group numbers and cost information if you are providing health insurance for your children (other than government provided insurance such as AHCCCS). This information must be completed on page 7 of the enclosed *Affidavit of Financial Information*. If there is no medical insurance coverage, a cash medical order may be added to the current child support order.

Additional information on modifications can be found at the DCSS web site:

<https://des.az.gov/services/child-and-family/child-support/modification-requests-frequently-asked-questions>

Both parties may sign a legal agreement (stipulation) to an order. If both parties agree to a proposed order, please contact your local office to obtain an appointment with the DCSS.

DCSS will mail no more than one packet to you per year upon your request. Otherwise, you can download the documents from the DCSS website.
