Recording of this order creates a lien on all property presently owned or later acquired by the debtor to secure payment of the obligation to pay support. The lien amount includes the amount owed at the time of recording and any amounts subsequently accrued. The lien has priority over other liens against this property except for liens arising from mortgages, deeds of trust, contracts, conveyances or security agreements created by the property owner and previously recorded or filed. A.R.S. § 25-516.
