Disbursement Notice to Support Recipient

The Division of Child Support Services recently conducted an internal review relating to your above-mentioned child support case. The review revealed that the DCSS retained a support payment or payments on this case that should not have been retained.

Based on the review, the DCSS will be issuing payment to you in the amount of \$500.00. The DCSS has addressed the issue, and you should not experience the problem in this case in the future. The payment will be issued to you within the next fifteen business days via direct deposit, electronic payment card, or other means depending on how you normally receive support payments from the DCSS.

If you have more than one AZCARES case with the DCSS, this payment might increase the amount of state assigned arrears owed on your other case(s).

Should you have any questions regarding this matter, you may contact the DCSS at (602) 252-4045 or in writing at DCSS, P. O. Box 40458, Phoenix AZ 85067.
