Hardship Program Arrears Reduction Explanation

One of the services provided by the Division of Child Support Services (DCSS) is a debt reduction program. Under this program, the DCSS forgives eligible arrears and fees owed to the State of Arizona by a party who qualifies for the program. Only arrears and fees owed to the State of Arizona qualify for forgiveness. We reviewed your case and determined that it meets the criteria for the debt reduction program.

NONCUSTODIAL ATLAS TEST qualifies for this program and the DCSS is deducting \$500.00 from the eligible arrears and/or fees balance in your case. This does not change the amount owed to you. As of 10/16/2024, the adjusted arrears balance for your case is \$20,000.00 and enforcement actions will continue until the arrears are paid in full.
