### Calculation Request Letter

Dear :

The Division of Child Support Services (DCSS) has completed a recalculation of the child support obligation on your AZCARES case. We have enclosed a copy of the arrear's calculation and/or pay history for your review. The arrears balance on the report is as of 10/25/2024.

This gives a month-to-month breakdown of the amount you have paid toward your arrears.

The review revealed that the statutory interest had not been calculated on some or all of your support arrears obligations. DCSS has completed an updated arrears calculation factoring in the interest rate allowed by law. Based on the updated calculation, your total support arrears balance is \$15,000.00

**If you have documentation of payments, you have made that are not reflected in this calculation, please provide that information to the Division of Child Support Services (DCSS) for consideration.**
