SUBJECT: Policy FYI-448 | Canada Postal Worker Strike

As of Friday, Nov. 15 at 12:01 a.m. (ET), Canada Post and the Canadian Union of Postal Workers initiated a strike. The strike will have a direct effect on postal services across Canada, disrupting incoming and outgoing mail. This will affect the timely delivery of child support payments and other intergovernmental case communication sent by mail. OCSS will send an update when more information is available. This updated information will then be sent out to DCSS staff.

Please direct any questions to OCSSInternational@acf.hhs.gov.

We urge DCSS team members to view this information directly on The PORT and not create a separate personal file.
