SUBJECT: Policy FYI-449 | Pause In Data Transmissions With Kansas

Effective November 13, 2024, the Kansas Department of Labor will pause all data transmissions to the Office of Child Support Services (OCSS) due to system modernization efforts. The OCSS is working with Kansas to ensure regular data submissions resume as soon as possible, and will notify states when submissions resume. This includes New Hire, Quarterly Wage, and Unemployment Insurance data.

All states and data matching partners will experience a temporary delay of information available for the state of Kansas in the National Directory of New Hires and Federal Case Registry (NDNH/FCR) matching.

If you have questions or concerns, please reach out to nicole.struckhoff@ks.gov.
