SUBJECT: The Hague Convention Country Profiles

Please contact the Policy Unit if you have any questions regarding these or any other changes at DCSS-POLICYQUESTIONS@azdes.gov or call 602-771-8127

Most of the Hague Convention countries have provided detailed information about their child support practices, including contact names and addresses, payment processing, any special documents or information the country requires and translation requirements in their Country Profiles. The information in the Country Profiles is very similar to the Intergovernmental Reference Guide (IRG) and is found [here](#).

The countries are listed in alphabetical order and are available in English (en), French (fr) and Spanish (es) in html and pdf versions.

Before initiating to a Convention country, please review the profile of that country to ensure you have all of their required documents. This will help ensure the case will be processed in a timely manner.
