**SUBJECT: Social Security Administration Requirements for LIWO/IWO**

DCSS has many cases with arrears balances of \$100,000.00 or more. When sending a LIWO/IWO to the Social Security Administration (SSA), keep in mind that the SSA will reject a LIWO/IWO amount over \$99,999.99. Do not submit the full arrears balance if the amount is \$100,000.00 or more. Submit the LIWO/IWO for \$99,999.99 to ensure that it is not rejected by SSA.
