Arizona and New York (NY) have a full CSENet exchange agreement, effective immediately. This means staff can now send and receive CSENet transactions in all functions with NY (FIPS code 36) on the INTD (Intergovt Transaction Detail) screen.

*The CSENet exchange agreements for Arizona with all states and territories of the United States may be found on the STJM (State and Juris Maintenance) screen.*

*DCSS colleagues are urged to view this information directly on The PORT and not create a separate personal file.*
