The purpose of this F.Y.I. is to inform staff that USA.gov has created a website where the user can access the Department of Corrections websites from all states and territories.

The State Department of Corrections websites are accessed using a dropdown menu on the USA.gov website and provides added information on incarcerated individuals, including release dates and more. The websites can be used as an additional tool to get more information on incarcerated individuals in other states. The State Department of Corrections website may be found [here](#).
