## **SUBJECT: The Dynamic Idea Generator (DIG) Standard Work Update**

Please contact the Policy Unit if you have any questions regarding these or any other changes at [DCSS\\_POLICYQUESTIONS@azdes.gov](mailto:DCSS_POLICYQUESTIONS@azdes.gov)

This Policy FYI is to inform staff that the Dynamic Idea Generator (DIG) standard work has been updated. Please review the *updated* standard work for the [DIG](#). Remember, everyone has a role and expectations associated with those roles! If you have any questions, please reach out to your Strategy and Continuous Improvement (SCI) Coach.

The DIG will provide:

1. A centralized location where you can see everyone's ideas
2. A process to track ideas from start to implementation or closure
3. A quick response to ideas submitted to leadership

Standard work for the [DIG process](#) and other resources are housed in the Google Drive: DCSS ALL - I > 6. Strategy & Continuous Improvement >[Dynamic Idea Generator \(DIG\)](#)

To submit a **customer related DCSS Success Story**, please review the [DCSS Success Stories Standard Work](#) which is now a separate process.

*DCSS colleagues are urged to view this information directly on The PORT and not create a separate personal file.*
