This Policy FYI is to inform staff that the Office of Child Support Services (OCSS) has created an [OCSS Glossary](#) webpage to explain acronyms and terms frequently used in the child support community. This webpage is available as a tool for case participants and the public at large who desire to better understand child support terminology. There are two sections on the webpage, Acronyms and Glossary, which can be expanded to view as an alphabetical list.

The [Approved Abbreviations and Acronyms](#) page and the [PORT Glossary](#) have been updated to reflect the new terms and/or definitions in the OCSS Glossary.

DCSS colleagues are urged to view this information directly on The PORT and not create a separate personal file.
