SUBJECT: Policy FYI-480 | Introducing the **NEW** DCSS Business Decisions section in The PORT.

This FYI is to inform team members of the new DCSS Business Decisions section added to The PORT.

Business decision memorandums contain decisions made by the DCSS Senior Leadership Team (SLT) and are intended to support and provide additional Policy guidance to team members. Business decisions have links to relevant policies, and the policies have links to applicable business decisions.

The new section can be found by selecting Appendices on the top menu in The PORT. The DCSS Business Decisions are organized by relevant calendar year.

We urge DCSS team members to view this information directly on The PORT and not create a separate personal file.

Please do not reply directly to this message as we will not be able to respond. This email address is only used for outgoing mail.
