This PPU is to reiterate existing Policy information to all IV-D staff. Please SAVE this email for future reference. Please contact the Policy Unit if you have any questions regarding this or any other information we are providing to *DCSE-POLICY, CSE.POLICY or (602) 274-7951.

Recently **HB 2134** was passed and it provides that DCSE may obtain a credit report on *the obligor mother or the obligor father*, the parent with a child support order.

A.R.S. § 44-1692 A 4(a). Permissible Use of Consumer Reports, previously read:
" The consumer has been determined to be the legal father of a child to whom a support obligation relates."

It will be changed in the near future to read:
"The obligor mother or the obligor father has been determined to be the parent of a child to whom a support obligation relates."

This technical correction was completed to clarify any issues or concerns about requests for a credit report on an the obligor mother.
