New CAAL Narrative Codes have been implemented in ATLAS:

E9586 (CASE IN REVIEW FOR DRIVER'S LICENSE SUSPENSION)  
E9593 (WITHDRAWN FROM DRIVER'S LICENSE SUSPENSION PROCESS)

The caseworker will manually add Code E9586 (CASE IN REVIEW FOR DRIVER'S LICENSE SUSPENSION) when the case is in review for eligibility of possible driver's license suspension.

The code E9593 (WITHDRAWN FROM DRIVER'S LICENSE SUSPENSION PROCESS) is manually added when the caseworker determines the case should no longer be in the driver's license suspension process.

There are no worklist items generated with these CAAL codes.
