SUBJECT: Changes to Closure Code 883 (CP Deceased)

Please contact the Policy Unit if you have any questions regarding these or any other changes at
*DCSE-POLICYQUESTIONS, CSE.POLICY or (602) 274-7951.

*The IV-D PARTNERS should send POLICY inquiries directly to [*DCSE-POLICYQUESTIONS@azdes.gov](mailto:DCSE-POLICYQUESTIONS@azdes.gov)*

System modifications have been completed to allow enforcement and collection cases to begin the closure process when a deceased date is entered by staff or by automation on the CP Demographics (CPDE) screen.

During nightly processing, ATLAS checks for the monthly global edits for the 883 closure code. When a case passes the edits, the case is placed in pending closure status and closed automatically when the monthly closure program runs.
