The purpose of this PPU is to inform staff of a change to Automated Enforcement Case Suppression Policy. Prior to this Policy Update, NCPs who receive TANF were suppressed from automated enforcement remedies. Effective immediately, **do not** suppress an NCP who is on TANF from these enforcement remedies on the Cast Status (CAST) screen.

The Policy change can be found in the Online Policy and Procedures Manual (OPPM) under the Enforcement of Support section, Automated Enforcement Case Suppression Procedures.

*Staff are urged to view this information directly on OPPM and not create a separate personal file. Click on the link <http://dcsepc>. You will find this Policy Update in Policy Updates 2009.*
