This Policy update is being issued to address a frequent Policy question received from staff. Tribal court orders are **not** local orders regardless of the state where the tribal court is located. Debts that are based on tribal orders, including tribal orders established within Arizona, should not include interest or fees.

Staff are urged to view this information directly on OPPM and not create a separate personal file. Click on the link <http://dcsepc>. You will find this Policy Update in Policy Updates 2010.
