Please contact the Policy Unit if you have any questions regarding these or any other changes at

ATLAS cases that have active debts based on Arizona orders that are not accruing interest are being reviewed by a team. New **CAAL** codes have been created that identify the cases and that state after a review if the interest indicator was set correctly.

The CAAL codes are:

- **A2600 – Case Being Reviewed for Interest**
- **A2601 – Reviewed Case for interest – No Adjustment Needed**
- **A2602 – Reviewed Case for interest – Adjustment Completed**

The **A2600 CAAL** has been added to all cases that are being reviewed.

The **A2601 CAAL** is added by the team when it is determined that the interest indicator on the debts was correct to not accrue interest.

The **A2602 CAAL** is added by the team when it is determined that the interest indicator was not correct and interest was added to the debts.

A letter will be sent out by the team to the CP and NCP when the **A2602 CAAL** is added to the case.

If you find any cases that have the **A2600 CAAL** added that needs immediate attention, notify by email Suzie Ziemieski (SZiemieski@azdes.gov) and Laurie Chrisco (LChrisco@azdes.gov).

If any clients have questions about the letter advise then to call 602-771-8120.
