The Spousal Waiver of Claim to Tax Intercept document has been removed from the DCSE web site. Staff can now find this document in Eloquence under form number FCSE0001-F0658.

The waiver clarifies that the parties give up their right to file an injured spouse claim and amend the return for the IRS monies intercepted. It also authorizes DCSE to pursue both parties for repayment if there is an IRS tax reversal.

Moving the waiver to Eloquence will provide DCSE with a complete record of the actions taken that led up to the waiver and reduce financial losses to the Division.

The waiver is available for immediate use.
