Policy Update: New and Revised Uniform Interstate Family Support Act (UIFSA) 2008 Forms

The Policy Unit is pleased to announce the UIFSA 2008 documents in production in Eloquence. The PORT has been updated and a desk aid containing more information on each of the documents may be found in the PORT New/Revised UIFSA 2008 Forms [here](#).

The OCSE provided a series of trainings on all of the documents as well as an intergovernmental forms matrix, which lists the forms to use by function. These are useful tools in intergovernmental case processing and can be found at the following link: [Understanding the Child Support Intergovernmental Forms](#).

Staff are urged to view this information directly on The PORT and not create a separate personal file.
