Date: March 21, 2019
SUBJECT: Tribal Orders and Medical Support

Please contact the Policy Unit if you have any questions regarding these or any other changes at (602) 771-8127.
All DCSS staff and IV-D PARTNERS should send POLICY inquiries directly to DCSSPOLICYQUESTIONS@azdes.gov

When a tribal order (FIPS code 90) is entered on the first panel of the SUOD (Support Order Detail) screen, the Medical Support Ordered field on the fifth panel of the SUOD screen automatically defaults to “T” for tribal. No other fields on this panel should be populated. The “T” is added to prevent the enforcement of medical support for individuals eligible for tribal health care.

The PORT has been updated to include this information and the Help Text on the SUOD screen was revised to assist staff when adding a tribal court order to ATLAS.

This information on the PORT may be found at DEBT/FINANCIAL MANAGEMENT>DEBT>Court Orders>10. Complete the Medical Support Section – Panel Five of SUOD

DCSS colleagues are urged to view this information directly on The PORT and not create a separate personal file.
